**WHEREAS**, the aforementioned barangays are identified as Major Production Areas for rice, corn, coconut, cassava, sweet potato, banana and oil palm, where farmers in these areas also raise livestock and poultry as alternative sources of livelihood, to augment their low family income in light of the COVID-19 pandemic;

**WHEREAS**, the expected increased productivity of the farmers will be through their venturing into the cultivation of new high-value crops, expansion in farm cultivation coverage, and provision of safe and secured routes for the local residents, students and traders thereby improving the community's way of life and the peace and order situation in the area;

**WHEREAS**, after review and deliberation, the proposed Farm-to-Market road projects and bridges has been found by this Body to be supportive to the attainment of Bohol's development goals towards agricultural productivity and therefore worthy of support and endorsement to the Central Visayas Regional Development Council (RDC-7) and the National Task Force to End Local Communist Armed Conflict (NTF-ELCAC) for their support and funding assistance;
