PDC EXECOM RESOLUTION NO. 09A-2023

A RESOLUTION FAVORABLY ENDORSING THE CONDUCT OF A FEASIBILITY STUDY ON THE PROPOSED CONSTRUCTION OF A SUPERHIGHWAY PARALLEL TO THE BOHOL CIRCUMFERENTIAL ROAD TO THE REGIONAL DEVELOPMENT COUNCIL - REGION VII (RDC-VII) FOR SUPPORT AND FURTHER ENDORSEMENT TO THE DEPARTMENT OF PUBLIC WORKS AND HIGHWAYS (DPWH)

WHEREAS, the recent uptick in the economic activities in Bohol after the two-year hiatus brought about by the COVID-19 pandemic has brought forth the need for the construction of a Superhighway that will parallel the existing Bohol Circumferential Road;

WHEREAS, to maximize the growth of Bohol's economy, it is an imperative requirement to have an improved road network that will further spur economic activities in transportation, business and tourism;

WHEREAS, the construction of a Superhighway parallel to the Bohol Circumferential Road will improve connectivity throughout Bohol that will support the downstream industries located in the municipalities of the province;

WHEREAS, the construction of a Superhighway parallel to the Bohol Circumferential Road will be a viable economic option, consistent with the strategies of the Bohol Spatial Development Framework of improving the transport interconnectivity and fully supportive of the development thrusts of the National Government as well as the Provincial Government of Bohol and its Strategic Governance Roadmap;

WHEREAS, to ensure the viability of the project, a Project Feasibility Study is required to determine the project's socio-economic, financial, environmental and administrative soundness and set the most appropriate options for the government, private sector and other stakeholders to consider;

WHEREAS, the project will directly benefit the Province of Bohol and its people, particularly in providing accessibility of the travelling public through unhampered, safe and secure alternative primary road around the province;

WHEREAS, this Body, after deliberation, has found that the proposed Superhighway parallel to the Bohol Circumferential Road is a strategic program that will improve the linkages within the province, an essential element in the sustainable development of Bohol, thus worthy of support and favorable endorsement to the Department of Public Works and Highways (DPWH) for funding and technical support;

WHEREFORE, upon proper motion duly seconded, be it resolved by this Body in a meeting duly convened -

To favorably endorse the conduct of a feasibility study for the construction of a Superhighway parallel to the Bohol Circumferential Road to the Regional Development Council - Region VII (RDC-VII) for support and further endorsement to the Department of Public Works and Highways (DPWH)

RESOLVED FURTHER, to furnish copies of this Resolution to the DPWH Regional Office VII, DPWH 1st District Engineering Office, DPWH 2nd District Engineering Office, DPWH 3rd District, Hon. Edgar M. Chatto, 1st Congressional District of Bohol, Hon. Maria Vanessa C. Aumentado, 2nd Congressional District of Bohol, Hon. Kristine Alexie B. Tutor, 3rd Congressional District of Bohol for their wholehearted support.

UNANIMOUSLY ADOPTED.
